

Westbourne Weekly

Meet the Teacher meetings Next week:

Polo Class (Year 1) - Monday 14th Sept
Bergman Class (Year 2) - Friday 18th Sept
Jemison Class (Year 3/4) - Wednesday 16th Sept
Bird Class (Year 4/5) - Tuesday 15th Sept

What a busy week we have had! It has been wonderful to be around the school, seeing the children working well together with their new teachers and getting to know the new spaces we have created around the building.

The children have also been enjoying their new hot meals, and I'd like to thank you for your patience whilst we have worked with our new provider to get these running.

During the course of this week we have settled into our learning, including starting our new maths scheme, Maths - No Problem! We are very proud of the way the children are embracing this, getting fully involved with using concrete resources to help their understanding of mathematical concepts. We look forward to sharing more information about this scheme with you soon.

Attendance

We were really pleased that at the start of this week we had 100% attendance for the whole school! This is a great start to the academic year. Please look out for attendance guidance which will be handed out at our Meet the Teacher sessions.

Today we will be holding our first Star Learner Assembly of this academic year. Our Star Learner certificates are awarded to children for showing our school values of kindness, respect, honesty and resilience, and for making a great effort with their learning over the course of the week. It is often very hard for our staff to choose!

Star Learners

Peake	The Whole Class!
Polo	Freddie Jones-Jurd
Bergman	Jenson Bailey
Jemison	Daya Atkinson
Bird	Emily Whitmore-Jones
Erikson	Sophie Gaffney

We are all really looking forward to seeing as many of you as possible at the PTA Welcome Back Westbourne event after school today.

I hope that you have a restful weekend and thank you for your continued support.

Laura Evans
Headteacher
